

Digital A to Z Databases

by IAN BAIN

Senior Manager,
Digital Resources and Services,
National Library Board

Our “whistlestop tour” of the wide range of databases which NLB digital library members have access to continues with the letters **B** and **C**.

B IS FOR BLOOM'S AND BLOOMBERG

BIBLIOGRAPHY OF ASIAN STUDIES (BAS)

The electronic version of the Bibliography of Asian Studies (BAS) contains over 600,000 records of research and scholarly literature on Asia written in Western languages since 1971. This bibliography focuses on the subject area of social sciences and humanities.

Available at all libraries and from home

BLOOM'S LITERARY REFERENCE ONLINE

This is Facts On File's literature database which examines the lives and works of great writers throughout history and the world, with new literary criticism and writings of renowned literary critic, Harold Bloom.

Available at all libraries and from home

BLOOMBERG PROFESSIONAL SERVICES

Available via Bloomberg Specialised Terminals at Lee Kong Chian Reference Library, [Business Collection](#). Users can monitor and analyse real-time financial market data movements and place trades. The system also provides news, price quotes and messaging across its proprietary secure network.

Available at Lee Kong Chian Reference Library only

C IS FOR CAMIO, CHINA, AND CREDO REFERENCE

CAMIO (CATALOG OF ART MUSEUM IMAGES ONLINE)

Love art and art museums but cannot afford a round-the-world ticket? Let these images of over 90,000 works of fine and decorative art from leading museums around the world take you there free of charge. Starting from 3000 BCE and time travelling to the present, you can find wonderful examples of Asian, African, Latin American and Western art - get informed, expand your horizons in the comfort of your own home!

Available at all libraries and from home

CHINA INFOBANK

These 16 databases provide business information and other news on China, covering industry, economics, legal issues, health, government, company profiles and biographical data of key people. They are mainly in Chinese with some in English.

Please note: Limited to 8 concurrent access only
